- Charters will still end at 10 am or 12 Noon.
- Evening Starts CANNOT be discounted
- Chart briefings will be available at the scheduled time in the morning or evening.
- Boat briefings will be scheduled in the evenings around 3 pm or in the mornings at approximately 9am (based on client's arrival time). Customer service will schedule the time with each charterer.
- Evening starts must be booked through booking office at least 14 days prior to arrival at base.
- Security insurance is also charged for evening start.
