# Report: Sail Pak - Notebook

---

- Notebook with wireless high speed broadband modem for internet, e-mail and VPN access; power inverter, 2000 MP3 songs, 6 DVD movies and an optional USB GPS. Our sail package may just be the package for you. Watch DVD movies, send and receive e-mail, listen to music, access the internet, and navigate with electronic charts all on our specifically configured notebooks. Just to make sure you have power at all times we have included a power inverter. This package offers something for everyone including captain and crew.

# Report: Beam Pak – Flat Panel TV

---

- Flat Panel TV, Power Inverter, Wave Sound and Ipod with a library of latest movies and music. How about lots of music and movies all in one place? Try our new beam pak! It includes a music library of 2,000 songs (top 40, reggae, rock, steel band, classics, country, dance and so on); and to top this off, a library of the latest release DVD movies (drama, children, adventure, suspense, mystery, action, sci-fi, westerns).

# Report: Beacon Pak–PlayStation 2

---

- Flat Panel TV, PlayStation 2 Player, Power Inverter and a total mix of 7 DVDs and PS2 Games. Fun and games Bored and do not know what to do on some days or nights, how about some fun and games? Either watch a movie or play a challenging game. Choose from a total mix of seven DVD movies and PlayStation 2 game titles or simply bring your favorite games and movie titles. We have even included a wireless sound adapter for theatre surround sound effects on yacht speakers and an inverter to keep you always powered up and running.

# Report: Buoy Pak – DVD Player

---

- Flat Panel TV, DVD Player, Power Inverter and 7 DVD Movies. Relax and unwind with a Movie  
Plan some movie nights into your charter itinerary. Enjoy a movie with dinner or simply relax and unwind with a movie. Just in case you desire to have a movie on most nights we have included seven DVD movies. We have also included a wireless music adapter to give you surround sound on yacht speakers and an inverter to ensure that you can enjoy a full length movie.

# Renport: Blender Pak

---

- 12V DC 250 watts Blender and Ice cooler bag  
Enjoy a cocktail at Sunset - Mix tropical drinks with our popular blender package. It comes packaged in an ice cooler bag so that you can take drinks and sandwiches to the beach.

# Report: Blender Plus Pak

---

- 12V DC Blender Plus a 500 watts power inverter with dual outlets packaged in an ice cooler bag.

Enjoy a smoothie at Anytime

Mix tropical drinks or smoothies with our popular 12 volt blender; plus get the power supply you need to charge your cell phone, camera, camcorder, notebook, mp3 Player or use your electric shaver, toothbrush or other low wattage (maximum 500 watts) product with a power inverter. However, do not try to use a hair dryer. It comes packaged in an ice cooler bag so that you can take drinks and sandwiches to the beach.

# Renport - Surf USB Modem Pak

---

- Wireless cellular modem, broadband high speed, connects to USB Port; supports laptops running Windows (7/Vista/XP/NT/2000) and MAC OS.

Stay connected while at sea.

Do you have the need for e-mail or internet access while at sea during your charter vacation? Yes! We have our surf USB broadband modem package just for you. Just bring your own notebook and we will get you connected. For a flat rate you can send and receive e-mail and surf unlimited during your charter. Coverage is everywhere in the British Virgin Islands.

# Renport - Power Pak

---

- 500 watts inverter with dual outlets; 12V DC to 120V AC  
Power supply

Charge your cell phone, camera, camcorder, notebook, mp3 Player or use your electric shaver, toothbrush or other low wattage (maximum 500 watts) product with our Power Inverter. However, do not try to use a hair dryer as it requires on average 1800 watts to operate.

# Renport - Wave Sound Pak

---

- 12V DC wireless adapter, plug, tune & play, full stereo surround sound; bring your own iPod, MP3 player or laptop. Sound waves

If you don't have the time or don't want to be bothered to put music together for your charter vacation? No problem! How does our wave package sound? With a mixed play list of around 130 music CDs or 2,000 songs you would have no shortage of music to suit your mood while at sea.

# Renport - Wave Scene Pak

---

- Link your iPod or MP3 Video player or laptop to TV on your yacht. Watch your favourite movies or play back your vacations photographs. Connect to yacht television  
Watch your favorite movies and videos by connecting your MP3 or iPod video player to TV on onboard your yacht with our Wave Scene package.
